TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this "Assignment"), dated as of March 22, 2010, is made and entered into between RO ASSOCIATES INCORPORATED, a California corporation (the "Assignor"), and ASTRODYNE CORPORATION, a Delaware corporation (the "Assignee") (each a "Party", and collectively, the "Parties"). Capitalized terms used herein without definitions shall have the respective meanings set forth in the Asset Purchase Agreement (defined below).

Background

WHEREAS, Assignor, Assignee and EMRISE Electronics Corporation have entered into an Asset Purchase Agreement, dated as of March 22, 2010 (the "Asset Purchase Agreement");

WHEREAS, as a condition to Closing, the parties to the Asset Purchase Agreement agreed that the Assignor and the Assignee will enter into this Assignment pursuant to which the Assignor will assign to the Assignee all of its right, title and interest in, to and under the trademarks listed on Schedule A attached hereto (the "Assigned Trademarks").

Terms

NOW THEREFORE, in consideration of the premises and mutual agreements set forth in the Asset Purchase Agreement, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Assignment and Transfer. The Assignor hereby assigns, sells, conveys and transfers to the Assignee, its legal representatives, successors and assigns, all of the Assignor's right, title and interest, throughout the world, in, to and under the Assigned Trademarks, together with the whole of the goodwill of the business pertaining thereto, the same and the rights of the Assignor to be held and enjoyed by Assignee for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, and together with all rights to sue for and collect damages for, and to obtain injunctive or equitable relief for, any past, present or future infringement, misappropriation, dilution, violation or unlawful imitation, whether currently known or unknown, of the foregoing.

2. Due Authorization. As applicable, the Assignor hereby authorizes and requests the Commissioner for Trademarks of the United States and any official of any state or foreign country whose duty it is to issue intellectual property registrations, to issue all registrations from any applications for registration of the Assigned Trademarks to the Assignee.

3. Further Assurances. The Assignor covenants and agrees that it will not execute any writing or do any act whatsoever conflicting with these presents, and that Assignor will, upon the reasonable request of the Assignee, execute and deliver, or cause to be executed or delivered, any and all documents and take any and all actions that may be necessary or desirable to perfect the assignment, conveyance and transfer of the Assigned Trademarks hereunder, it being understood that the foregoing covenant and agreement shall bind and inure to the benefit of the assigns and legal representatives of Assignor and Assignee. In the event Assignee is

unable, after reasonable effort, to secure Assignor's signature for the purposes of making such filings and recordations and more fully vesting ownership in the Assigned Trademarks, for any reason whatsoever, Assignor hereby irrevocably designates and appoints Assignee and its duly authorized agents as Assignor's agent and attorney-in-fact, to act for and in its behalf to execute and file any and all such documents and to do all other lawfully permitted acts to accomplish the complete and exclusive transfer of the Assigned Trademarks.

4. Governing Law. This Assignment shall be governed by, enforced under and construed in accordance with the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws of such State.

5. Amendment; Waiver. None of the provisions of this Assignment may be waived, changed or altered except in a signed writing by the Party against whom enforcement of the same is sought.

6. Conflict with Asset Purchase Agreement. In the event of a conflict between the terms and conditions of this Assignment and the terms and conditions of the Asset Purchase Agreement, the terms and conditions of the Asset Purchase Agreement shall govern, supersede and prevail. Notwithstanding anything to the contrary, nothing herein is intended to, nor shall it, extend, amplify or otherwise alter the representations, warranties, covenants and obligations of the Parties contained in the Asset Purchase Agreement or the survival thereof.

7. Counterparts. This Assignment may be executed in any number of counterparts with the same effect as if the signatures thereto were upon one instrument.
